OBJECTIVE

Mobile app developer specializing in Flutter, experienced in building cross-platform applications with responsive UI design, API integration, and performance optimization. Proficient in state management using Provider and BLoC, and skilled in collaborating with teams using Git.

EDUCATION

Bachelor of Engineering,
Computer Science,
Sethu Institute of Technology

2019 - 2023

SKILLS

Technical Skills	Flutter, Dart, RESTful APIs, Firebase, MongoDB
UX/UI	Figma, Canva
Developer Tools	VS Code, Visual Studio, Android Studio
State Management	Flutter Provider, Flutter BLoC

EXPERIENCE

RINEX

Jun 2023 – Sep 2024

Business Development Executive (Intern)
Bengaluru, Tamil Nadu

- Conducted outbound calls and sent messages to prospective students, promoting educational courses and addressing inquiries.
- Converted leads into enrollments by effectively communicating course benefits and handling objections.
- Maintained a student database and ensured timely follow-ups to maximize engagement and enrollment rates.

Meerana Technologies
Junior Mobile App Developer
Chennai, Tamil Nadu

May 2024 – Present

- Designed and developed intuitive, user-friendly mobile interfaces using Flutter.
- Collaborated with designers and product teams to create seamless, responsive applications.
- Integrated RESTful APIs for dynamic data synchronization and utilized Firebase and MongoDB for backend services.
- Implemented state management with Flutter Provider and BLoC for clean and efficient architecture.
- Delivered cross-platform apps with multilingual support, ensuring consistent performance across Android and iOS.
- Enhanced user experience through custom animations, transitions, and optimized app performance.
- Worked in a cross-functional team, managing dependencies and version control using Git.

PROJECTS

Smart Office App

- Built a cross-platform app for task management, scheduling, and collaboration using Flutter.
- Integrated voice assistant functionality with NLP for creating tasks and meetings via voice commands.

POS Application

- Developed a Flutter-based POS app with features like barcode scanning, customer information pages, and cart management.
- Implemented efficient API integration and state management with Provider.

LANGUAGES

- English: Proficient
- Tamil: Fluent
